ARTICLE III

AUTHORIZATION, TERMS, EXECUTION AND ISSUANCE OF BONDS

Section 301. Bond Details.

A. Basic Provisions. The Bonds shall be issued in fully registered form (*i.e.* registered as to payment of both principal and interest), in denominations of \$5,000 or any integral multiple thereof. The Bonds shall be lettered “R” and shall be numbered separately from 1 upward. The Bonds shall be dated as of the date of their delivery. The Bonds shall mature on November 1, in the years and amounts and subject to prior redemption as set forth herein and in the Sale Certificate. The Bonds shall bear interest from the most recent interest payment date to which interest has been paid, or if no interest has been paid, from their date until their respective maturities (or prior redemption) at the rates set forth in the Sale Certificate. No interest shall accrue on any Bonds owned by or on behalf of the District. Interest on the Bonds shall be calculated on the basis of a 360-day year of twelve 30-day months, payable semiannually on each May 1 and November 1, commencing on the date provided in the Sale Certificate.

B. Payment of Bonds. The principal of each Bond shall be payable at the principal corporate trust office of the Paying Agent, or at such other office as the Paying Agent directs in writing to the Owners of the Bonds, or at the principal office of its successor, upon presentation and surrender of the Bond. Payment of interest on any Bond shall be made to the Owner thereof by the Paying Agent on or before each interest payment date, (or, if such interest payment date is not a Business Day, on or before the next succeeding Business Day), to such Owner at his or her address as it appears on the registration records kept by the Paying Agent on the Record Date; but any such interest not so timely paid or duly provided for shall cease to be payable to the person who is the Owner thereof at the close of business on the Record Date and shall be payable to the person who is the Owner thereof at the close of business on a Special Record Date for the payment of any such defaulted interest. Such Special Record Date and the date fixed for payment of such defaulted interest shall be fixed by the Paying Agent whenever moneys become available for payment of the defaulted interest, and notice of the Special Record Date shall be given to the Owners not less than ten days prior to the Special Record Date by first-class mail to each such Owner as shown on the Paying Agent’s registration books on a date selected by the Paying Agent, stating the date of the Special Record Date and the date fixed for the payment of such defaulted interest. The Paying Agent may make payments of interest on any Bond by such alternative means as may be mutually agreed to between the Owner of such Bond and the Paying Agent. If any Bond is not paid upon its presentation and surrender at or after its maturity or prior redemption, interest shall continue at its stated rate per annum until the principal thereof is paid in full. All such payments shall be made in lawful money of the United States of America.

Section 302. Execution of Bonds. The Bonds shall be executed in the name of the District by the manual or facsimile signature of the President, shall be sealed with the corporate seal of the District or a facsimile thereof thereunto affixed, imprinted, engraved or otherwise reproduced and shall be attested by the manual or facsimile signature of the Secretary. Any Bond may be signed (manually or by facsimile), sealed or attested on behalf of the District by any person who, at the date of such act, shall hold the proper office, notwithstanding that at the date of authentication, issuance or delivery, such person may have ceased to hold such office. The

President and the Secretary may adopt as and for his or her own facsimile signature the facsimile signature of his or her predecessor in office in the event that such facsimile signature appears on any of the Bonds. Before the execution of any Bond, the President and the Secretary shall each file with the Colorado Secretary of State his or her manual signature certified by him or her under oath.

Section 303. Authentication Certificate. The authentication certificate upon the Bonds shall be substantially in the form and tenor provided in the form of the Bonds attached to this Resolution as **Exhibit A**. No Bond shall be secured hereby or entitled to the benefit hereof, nor shall any Bond be valid or obligatory for any purpose, unless the certificate of authentication, substantially in such form, has been duly executed by the Paying Agent and such certificate of the Paying Agent upon any Bond shall be conclusive evidence that such Bond has been authenticated and delivered hereunder. The certificate of authentication shall be deemed to have been duly executed by it if manually signed by an authorized officer or employee of the Paying Agent, but it shall not be necessary that the same officer or employee sign the certificate of authentication on all of the Bonds.

Section 304. Registration and Payment. The Paying Agent shall keep or cause to be kept sufficient records for the registration and transfer of the Bonds, which shall at all times be open to inspection by the District. Upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said records, Bonds as herein provided. Except as provided in Section 306 hereof, the Person in whose name any Bond shall be registered on the registration records kept by the Paying Agent shall be deemed and regarded as the absolute owner thereof for the purpose of making payment of the Bond Requirements thereof and for all other purposes; and payment of or on account of the Bond Requirements of any Bond shall be made only to the Owner thereof or his or her legal representative, but such registration may be changed upon transfer of such Bond in the manner and subject to the conditions and limitations provided herein. All such payments shall be valid and effectual to discharge the liability upon such Bond to the extent of the sum or sums so paid. The foregoing provisions of this Section are subject to the provisions of Section 307 hereof.

Section 305. Transfer and Exchange. Any Bond may be transferred upon the records required to be kept pursuant to the provisions of Section 304 hereof by the Person in whose name it is registered, in person or by his or her duly authorized attorney, upon surrender of such Bond for cancellation, accompanied by delivery of a written instrument of transfer in a form approved by the Paying Agent, duly executed. Whenever any Bond or Bonds shall be surrendered for transfer, the Paying Agent shall authenticate and deliver a new Bond or Bonds for a like aggregate principal amount and of the same maturity and interest rate and of any authorized denominations. The Bonds may be exchanged by the Paying Agent for a like aggregate principal amount of Bonds of the same maturity and interest rate and of other authorized denominations. The execution by the District of any Bond of any denomination shall constitute full and due authorization of such denomination and the Paying Agent shall thereby be authorized to authenticate and deliver such Bond.

The Paying Agent shall not be required to transfer or exchange (a) any Bond subject to redemption during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Bonds and ending at the close of business on the day such

notice is mailed, or (b) any Bond so selected for redemption in whole or in part after the mailing of notice calling such Bond or any portion thereof for prior redemption except the unredeemed portion of Bonds being redeemed in part.

The Paying Agent shall require the payment by any Owner requesting exchange or transfer of any tax or other governmental charge required to be paid with respect to such exchange or transfer, and may charge a sum sufficient to pay the cost of preparing each new Bond upon each exchange or transfer and any other expenses of the District or the Paying Agent incurred in connection therewith.

The foregoing provisions of this Section are subject to the provisions of Section 307 hereof.

Section 306. Bond Replacement. Upon receipt by the District and the Paying Agent of evidence satisfactory to them of the ownership of and the loss, theft, destruction or mutilation of any Bond and, in the case of a lost, stolen or destroyed Bond, of indemnity satisfactory to them, and in the case of a mutilated Bond upon surrender and cancellation of the Bond, (a) the District shall execute and the Paying Agent shall authenticate and deliver a new Bond of the same date, interest rate and denomination in lieu of such lost, stolen, destroyed or mutilated Bond, or (b) if such lost, stolen, destroyed or mutilated Bond shall have matured or have been called for redemption, in lieu of executing and delivering a new Bond as aforesaid, the District may pay such Bond. Any such new Bond shall bear a number not previously assigned. The applicant for any such new Bond may be required to pay all expenses and charges of the District and of the Paying Agent in connection with the issuance of such Bond. All Bonds shall be held and owned upon the express condition that, to the extent permitted by law, the foregoing conditions are exclusive with respect to the replacement and payment of mutilated, destroyed, lost or stolen Bonds, negotiable instruments or other securities.

Section 307. Custodial Deposit.

A. Depository. Notwithstanding any contrary provision of this Resolution, the Bonds initially shall be evidenced by one Bond of the same maturity and interest rate in denominations equal to the aggregate principal amount of the Bonds of the same maturity and interest rate. Such initially delivered Bonds shall be registered in the name of "Cede & Co." as nominee for The Depository Trust Company, the securities depository for the Bonds. The Bonds may not thereafter be transferred or exchanged except:

(1) to any successor of The Depository Trust Company or its nominee, which successor must be both a "clearing corporation" as defined in Section 4-8-102(a)(5), C.R.S. and a qualified and registered "clearing agency" under Section 17A of the Securities Exchange Act of 1934, as amended; or

(2) upon the resignation of The Depository Trust Company or a successor or new depository institution under clause (1) or this clause (2) of this paragraph A, or a determination by the Board that The Depository Trust Company or such successor or a new depository institution is no longer able to carry out its functions, and the designation by the Board of another depository institution acceptable to the Board and to the depository then holding the

Bonds, which new depository must be both a “clearing corporation” as defined in Section 4-8-102(a)(5), C.R.S. and a qualified and registered “clearing agency” under Section 17A of the Securities Exchange Act of 1934, as amended, to carry out the functions of The Depository Trust Company or such successor new depository institution; or

(3) upon the resignation of The Depository Trust Company or a successor or new depository institution under clause (1) above or designation of a new depository institution pursuant to clause (2) above, or a determination of the Board that The Depository Trust Company or such successor or depository institution is no longer able to carry out its functions, and the failure by the Board, after reasonable investigation, to locate another depository institution under clause (2) to carry out such depository institution functions.

B. Successor. In the case of a transfer to a successor of The Depository Trust Company or its nominee as referred to in clause (1) or (2) of paragraph A hereof, upon receipt of the outstanding Bonds by the Paying Agent together with written instructions for transfer satisfactory to the Paying Agent, a new Bond for each maturity and interest rate of the Bonds then outstanding shall be issued to such successor or new depository, as the case may be, or its nominee, as is specified in such written transfer instructions. In the case of a resignation or determination under clause (3) of paragraph A hereof and the failure after reasonable investigation to locate another qualified depository institution for the Bonds as provided in clause (3) of paragraph A hereof, and upon receipt of the outstanding Bonds by the Paying Agent, together with written instructions for transfer satisfactory to the Paying Agent, new Bonds shall be issued in authorized denominations as provided in and subject to the limitations of Sections 301, 304, and 305 hereof, registered in the names of such Persons, as are requested in such written transfer instructions; however, the Paying Agent shall not be required to deliver such new Bonds within a period of less than 60 days from the date of receipt of such written transfer instructions.

C. Absolute Owner. The Board and the Paying Agent shall be entitled to treat the Owner of any Bond as the absolute owner thereof for all purposes hereof and any applicable laws, notwithstanding any notice to the contrary received by any or all of them and the Board and the Paying Agent shall have no responsibility for transmitting payments or notices to the beneficial owners of the Bonds held by The Depository Trust Company or any successor or new depository named pursuant to paragraph A hereof. The Paying Agent shall have no liability or responsibility with respect to accuracy of records of DTC, consents given or action taken by DTC or selection of Bonds for redemption.

D. Payment. The Board and the Paying Agent shall endeavor to cooperate with The Depository Trust Company or any successor or new depository named pursuant to clause (1) or (2) of paragraph A hereof in effectuating payment of the principal amount of the Bonds upon maturity or prior redemption by arranging for payment in such a manner that funds representing such payments are available to the depository on the date they are due.

E. Redemption. Upon any partial redemption of any maturity and interest rate of the Bonds, Cede & Co. (or its successor) in its discretion may request the District to issue and authenticate a new Bond or shall make an appropriate notation on the Bond indicating the date and amount of prepayment, except in the case of final maturity, in which case the Bond must be presented to the Paying Agent prior to payment. The records of the Paying Agent shall govern in

the case of any dispute as to the amount of any partial prepayment made to Cede & Co. (or its successor).

Section 308. Bond Cancellation. Whenever any Bond shall be surrendered to the Paying Agent upon payment thereof, or to the Paying Agent for transfer, exchange or replacement as provided herein, such Bond shall be promptly canceled and destroyed by the Paying Agent.

Section 309. Bond Form. Subject to the provisions of this Resolution, each Bond shall be in substantially the form attached hereto as **Exhibit A**, with such omissions, insertions, endorsements and variations as to any recitals of fact or other provisions as may be required by the circumstances, be required or permitted by this Resolution, be consistent with this Resolution or be necessary or appropriate to conform to the rules and requirements of any governmental authority or any usage or requirement of law with respect thereto.

ARTICLE IV

REDEMPTION

Section 401. Optional Redemption. The Bonds maturing on and before November 1, 2022 are not subject to redemption prior to maturity. The Bonds maturing on and after November 1, 2023 will be subject to redemption prior to maturity, at the option of the District, as a whole or in integral multiples of \$5,000, in any order of maturity and in whole or partial maturities, on November 1, 2022, or on any date thereafter at a redemption price equal to the principal amount so redeemed plus accrued interest to the redemption date without a redemption premium.

Section 402. Mandatory Sinking Fund Redemption. The Term Bonds, if any, shall be subject to mandatory sinking fund redemption at the times, in the amounts and at the prices provided in the Sale Certificate.

On or before the thirtieth day prior to each such sinking fund payment date, the Paying Agent shall proceed to call the Term Bonds, if any, as provided in the Sale Certificate (or any Term Bond or Term Bonds issued to replace such Term Bonds) for redemption from the sinking fund on the next November 1, and give notice of such call without further instruction or notice from the District.

At its option, to be exercised on or before the sixtieth day next preceding each such sinking fund Redemption Date, the District may (a) deliver to the Paying Agent for cancellation Term Bonds subject to mandatory sinking fund redemption on such date in an aggregate principal amount desired or (b) receive a credit in respect of its sinking fund redemption obligation for any Term Bonds of the maturity and interest rate subject to mandatory sinking fund redemption on such date, which prior to said date have been redeemed (otherwise than through the operation of the sinking fund) and canceled by the Paying Agent and not theretofore applied as a credit against any sinking fund redemption obligation. Each Term Bond so delivered or previously redeemed will be credited by the Paying Agent at the principal amount thereof against the obligation of the District on such sinking fund date and such sinking fund obligation will be accordingly reduced.

The District will on or before the sixtieth day next preceding each sinking fund Redemption Date furnish the Paying Agent with its certificate indicating whether or not and to what extent the provisions of (a) and (b) of the preceding sentence are to be availed with respect to such sinking fund payment. Failure of the District to deliver such certificate shall not affect the Paying Agent's duty to give notice of sinking fund redemption as provided in this paragraph.

Section 403. Partial Redemption. In the case of Bonds of a denomination larger than \$5,000, a portion of such Bond (\$5,000 or any integral multiple thereof) may be redeemed, in which case the Paying Agent shall, without charge to the owner of such Bond, authenticate and issue a replacement Bond or Bonds for the unredeemed portion thereof.

Section 404. Notice of Prior Redemption. Notice of optional or mandatory redemption shall be given by the Paying Agent in the name of the District by sending a copy of such notice by first-class, postage prepaid mail, not more than sixty nor less than thirty days prior to the Redemption Date to each Owner at his address as it last appears on the registration books kept by the Paying Agent; but neither failure to give such notice nor any defect therein shall affect the redemption of any Bond. Such notice shall identify the Bonds to be so redeemed (if less than all are to be redeemed) and the Redemption Date, and shall further state that on such Redemption Date there will become and be due and payable upon each Bond so to be redeemed, at the principal office of the Paying Agent, the principal amount thereof, accrued interest to the Redemption Date, and the stipulated premium, if any, and that from and after such date interest will cease to accrue. Notice having been given in the manner hereinabove provided, the Bond or Bonds so called for redemption shall become due and payable on the Redemption Date so designated; and upon presentation thereof at the principal office of the Paying Agent, the Paying Agent will pay the Bond or Bonds so called for redemption. No further interest shall accrue on the principal of any such Bond called for redemption from and after the Redemption Date, provided sufficient funds are deposited with the Paying Agent and available on the Redemption Date.

Notwithstanding the provisions of this Section, any notice of redemption shall either (a) contain a statement that the redemption is conditioned upon the receipt by the Paying Agent on or before the Redemption Date of funds sufficient to pay the redemption price of the Bonds so called for redemption, and that if such funds are not available, such redemption shall be canceled by written notice to the Owners of the Bonds called for redemption in the same manner as the original redemption notice was mailed, or (b) be given only if funds sufficient to pay the redemption price of the Bonds so called for redemption are on deposit with the Paying Agent in the applicable fund or account.

Section 405. Bonds Owned by the District. Bonds owned by or on behalf of the District shall not be subject to redemption. At any time the District may surrender any Bonds owned by or on behalf of the District to the Paying Agent, which shall promptly cancel such Bonds.

Section 406. No Partial Redemption After Default. Anything in this Resolution to the contrary notwithstanding, if there shall have occurred and is continuing an Event of Default hereunder of which an officer of the Paying Agent has actual knowledge, there shall be no redemption of less than all of the Bonds at the time Outstanding (other than pursuant to Section 402 hereof).

ARTICLE V

USE OF BOND PROCEEDS AND OTHER MONEYS

Section 501. Disposition of Bond Proceeds. The net proceeds derived from the sale of the Bonds (including any original issue premium but net of underwriting and any original issue discount), upon the receipt thereof, shall be deposited in the special and separate account hereby created hereby and to be known as the “North Weld County Water District, Water Enterprise Revenue Bonds, Series 2022, Project Fund.” Money’s deposited into the Project Fund shall be used to pay the Costs of the Project (including paying any costs of issuance of the Bonds).

Section 502. Deposit of Money for Project. All moneys received and held by the District for the Project from all sources shall be credited to the Project Fund, including the portion of the proceeds of the Bonds accounted for therein pursuant to Section 501 hereof, except as herein otherwise provided.

Section 503. Application of Project Fund. The moneys in the Project Fund, except as herein otherwise expressly provided, shall be used and paid out solely for the Project as provided in Section 506 hereof.

Section 504. Certification Upon Project’s Completion. When the Project is completed in accordance with relevant plans and specifications, and when all amounts due therefor, including all proper incidental expenses, are paid, the District shall file in the District’s records a certificate so stating. Except for the retention in the Project Fund of any moneys designated in the certificate of the District to be reserved therein, the District thereupon shall cause all moneys remaining in the Project Fund to be transferred to the Bond Fund, for use as provided in Article VI hereof. Upon the payment of all costs payable therefrom and upon the termination of such accounts, the District shall cause all money remaining in the Project Fund, if any, to be transferred to the Bond Fund, for use as provided in Article VI hereof; and the Project Fund shall thereupon be terminated. Nothing herein:

A. **Periodic Transfers.** Prevents the officers of the District from causing to be transferred from the Project Fund to the Bond Fund at any time before the termination of the Project Fund any moneys which the District Manager determines will not be necessary for the Project; nor

B. **Limitations upon Transfers.** Requires the transfer to the Bond Fund or the Income Fund of any surplus moneys (other than bond proceeds) received as grants, appropriations or gifts the use of which moneys is limited by the grantor or donor to the construction of capital improvements or otherwise so that such surplus moneys (other than bond proceeds) may not be properly transferred to the Bond Fund or the Revenue Fund under the terms of such grants, appropriations or gifts.

Section 505. Transfers from the Project Fund. Except as provided in Section 504 hereof, moneys shall be withdrawn from the Project Fund only as provided in Section 506 hereof.

Section 506. Payments from the Project Fund. The District shall, during and upon completion of the Project, continue to make payments from the Project Fund in addition to those made pursuant to Section 505 hereof, in the amounts, at the times, in the manner and on the other terms and conditions set forth in this Section 506. In connection with each such payment, the District shall maintain a record, stating in respect of each payment to be made (1) the name of the firm, corporation or other Person to whom payment is due, (2) the amount to be paid, and (3) in reasonable detail the purpose for which the obligation was incurred.

Section 507. Purchaser Not Responsible. The validity of the Bonds is not dependent upon nor affected by the validity or regularity of any proceedings relating to the application of the Bond proceeds. The Purchaser and any subsequent Owners of any of the Bonds are not responsible for the application or disposal by the District or by any of its officers, agents and employees of the moneys derived from the sale of the Bonds or of any other moneys herein designated.

ARTICLE VI

ADMINISTRATION OF AND ACCOUNTING FOR PLEDGED REVENUES

Section 601. Pledge Securing Bonds. The Net Pledged Revenues and, subject to the right of the District to cause amounts to be withdrawn to pay the Cost of the Project as provided herein and other than moneys and securities held in the Rebate Fund to the extent such amounts are required to be paid to the United States, all moneys and securities paid or to be paid to or held or to be held in any account under this Article or under Section 501 hereof are hereby pledged to secure the payment of the Bond Requirements of the Outstanding Bonds. The pledge of the Net Pledged Revenues to secure the payment of the Bond Requirements of the Outstanding Bonds is on a parity with the pledge of the Net Pledged Revenues for, and lien thereon of any Outstanding Parity Bonds hereafter issued in compliance with the provisions of Article VIII hereof. This pledge shall be valid and binding from and after the date of the delivery of the Bonds, and the moneys as received by the District and hereby pledged shall immediately be subject to the lien of this pledge without any physical delivery thereof, any filing, or further act. The lien of this pledge and the obligation to perform the contractual provisions hereby made shall have priority over any or all other obligations and liabilities of the District except any Outstanding Parity Bonds heretofore or hereafter authorized. The lien of this pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the District (except as herein otherwise provided) irrespective of whether such parties have notice thereof.

Section 602. Income Fund Deposits. So long as any of the Bonds shall be Outstanding, as to any Bond Requirements related to the Bonds and the Parity Bonds, the entire Gross Pledged Revenues, upon their receipt from time to time by the District, shall be set aside and credited immediately to the special and separate account heretofore created by the City and known as the “North Weld County Water District, Water Enterprise Revenue Bonds, Gross Income Fund.”

Section 603. Administration of Income Fund. So long as any of the Bonds and any Parity Bonds shall be Outstanding, as to any Bond Requirements related to the Bonds, the

following payments shall be made from the Income Fund, as provided in Sections 604 through 610 hereof.

Section 604. Operation and Maintenance Expenses. First, as a first charge on the Income Fund, from time to time there shall continue to be held therein moneys sufficient to pay Operation and Maintenance Expenses, as they become due and payable, and thereupon they shall be promptly paid. Any surplus remaining in the Income Fund at the end of the Fiscal Year and not needed for Operation and Maintenance Expenses shall be used for other purposes of the Income Fund as herein provided.

Section 605. Bond Fund Payments. Second, from any remaining Net Pledged Revenues, there shall be credited, concurrently with amounts required to meet the Bond Requirements with respect to any Outstanding Parity Bonds, to the special and separate account hereby created and to be known as the “North Weld County Water District, Water Enterprise Revenue Bonds, Series 2022, Bond Fund,” the following amounts:

A. **Interest Payments.** Monthly to the Bond Fund, commencing on the first day of the month immediately succeeding the delivery of any of the Bonds, or commencing on the first day of the month six months next prior to the first interest payment date of any of the Bonds, whichever commencement date is later, an amount in equal monthly installments necessary, together with any moneys therein and available therefor, to pay the interest due and payable on the Outstanding Bonds on the next succeeding interest payment date.

B. **Principal Payments.** Monthly to the Bond Fund, commencing on the first day of the month immediately succeeding the delivery of any of the Bonds, or commencing on the first day of the month one year next prior to the first principal payment date of any of the Bonds, whichever commencement date is later, an amount in equal monthly installments necessary, together with any moneys therein and available therefor, to pay the principal and redemption premium, if any, due and payable on the Outstanding Bonds on the next succeeding principal payment date.

If prior to any interest payment date or principal payment date, there has been accumulated in the Bond Fund the entire amount necessary to pay the next maturing installment of interest or principal, or both, the payment required in paragraph A or B (whichever is applicable) of this Section 605 may be appropriately reduced; but the required annual amounts again shall be so credited to such account commencing on such interest payment date or principal payment date.

The moneys credited to the Bond Fund shall be used to pay the Bond Requirements of the Bonds then Outstanding, as such Bond Requirements become due, except as provided in Sections 607 and 1301 hereof. No interest or principal shall be paid on any Bonds owned by or on behalf of the District.

Section 606. No Reserve Fund. The Bonds are not secured by a reserve fund.

Section 607. Termination of Deposits. No payment need be made into the Bond Fund if the amount in the Bond Fund total a sum at least sufficient so that all Bonds Outstanding are deemed to have been paid pursuant to Section 1301 hereof, in which case moneys therein (taking into account the known minimum gain from any investment if such moneys in Investment

Securities from the time of any such investment or deposit shall be needed for such payment which will not be designated for transfer to the Rebate Fund) shall be used (together with any such gain from such investments) solely to pay the Bond Requirements of the Outstanding Bonds as the same become due; and any moneys in excess thereof in those two accounts and any other moneys derived from the Net Pledged Revenues or otherwise pertaining to the System may be used to make required payments into the Rebate Fund or in any other lawful manner determined by the Board.

Section 608. Rebate Fund. Fourth, concurrently with any payments required to be made pursuant to any Parity Bond Resolutions with respect to any rebate funds established thereby, there shall be deposited into the special and separate account hereby created hereby and to be known as the “North Weld County Water District, Water Enterprise Revenue Bonds, Series 2022, Rebate Fund” moneys in the amounts and at the times specified in the Tax Compliance Certificate so as to enable the District to comply with Section 930 hereof. Amounts on deposit in the Rebate Fund shall not be subject to the lien and pledge of this Resolution to the extent that such amounts are required to be paid to the United States Treasury. The District shall cause amounts on deposit in the Rebate Fund to be forwarded to the United States Treasury (at the address provided in the Tax Compliance Certificate) at the times and in the amounts set forth in the Tax Compliance Certificate.

If the moneys on deposit in the Rebate Fund are insufficient for the purposes thereof, the District shall transfer moneys in the amount of the insufficiency to the Rebate Fund from the Bond Fund. Upon receipt by the District of an opinion of Bond Counsel to the effect that the amount in the Rebate Fund is in excess of the amount required to be contained therein, such excess may be transferred to the Income Fund.

Section 609. Payment of Subordinate Securities. Sixth, and subject to the provisions hereinabove in this Article, but subsequent to the payments required by Sections 604, 605, 606, and 609 hereof, any moneys remaining in the Income Fund may be used by the District for the payment of Bond Requirements of subordinate securities, including reasonable reserves for such subordinate securities and for rebate of amounts to the United States Treasury with respect to such subordinate securities.

Section 610. Use of Remaining Revenues. After the payments hereinabove required to be made by Sections 602 through 610 hereof are made, any remaining Net Pledged Revenues in the Income Fund shall be used, firstly, for any one or any combination of reasonably necessary purposes and in the Board’s discretion relating to the operation, improvement or debt management of the System and, second, to the extent of any remaining surplus, for any one or any combination of lawful purposes as the Board may from time to time conclusively determine.

ARTICLE VII

GENERAL ADMINISTRATION

Section 701. Administration of Accounts. The special accounts designated in Articles V and VI hereof shall be administered as provided in this Article (but not any account under Section 1301 hereof).

Section 702. Places and Times of Deposits. Except as hereinafter provided, each of such special accounts shall be maintained by the District as a book account and kept separate from all other accounts as a trust account solely for the purposes herein designated therefor. The moneys accounted for in such special book accounts may be in one or more bank accounts in one or more Commercial Banks. Each such bank account shall be continuously secured to the fullest extent required or permitted by the laws of the State for the securing of public funds and shall be irrevocable and not withdrawable by anyone for any purpose other than the respective designated purposes. Each periodic payment shall be credited to the proper book account not later than the date therefor herein designated, except that when any such date shall not be a Business Day, then such payment shall be made on or before the next preceding Business Day. Moneys shall be deposited with the Paying Agent for the Bonds not less than (a) three Business Days prior to each interest payment date and each maturity or mandatory Redemption Date, if funds are delivered by wire transfer, or (b) five Business Days prior to each payment date if funds are delivered by another method of payment, in immediately available amounts sufficient to pay the Bond Requirements then becoming due on the Outstanding Bonds.

Section 703. Investment of Moneys. Any moneys in the Income Fund, Project Fund, Bond Fund and Rebate Fund and not needed for immediate use shall be invested or reinvested by the District Manager in Investment Securities. All such investments shall (a) either be subject to redemption at any time at a fixed value by the holder thereof at the option of such holder, or (b) mature not later than the estimated date or respective dates on which the proceeds are to be expended as estimated by the District Manager at the time of such investment or reinvestment. For the purpose of any such investment or reinvestment, Investment Securities shall be deemed to mature at the earliest date on which the obligor is, on demand, obligated to pay a fixed sum in discharge of the whole of such obligations.

Section 704. Accounting for Investments. The Investment Securities so purchased as an investment or reinvestment of moneys in any such account hereunder shall be deemed at all times to be a part of the account. Any interest or other gain from any investments and reinvestments of moneys accounted for in the Income Fund, the Project Fund, the Bond Fund, and the Rebate Fund shall be credited to such account, and any loss resulting from any such investments or reinvestments of moneys accounted for in the Income Fund, the Project Fund, the Bond Fund and the Rebate Fund shall be charged or debited to such Fund.

No loss or profit in any account on any investments or reinvestments in Investment Securities shall be deemed to take place as a result of market fluctuations of the Investment Securities prior to the sale or maturity thereof. In the computation of the amount in any account for any purpose hereunder, except as herein otherwise expressly provided or for rebate purposes, as described in the Tax Compliance Certificate, Investment Securities shall be valued at the cost thereof (including any amount paid as accrued interest at the time of purchase of the obligation); provided that any time or demand deposits shall be valued at the amounts deposited, in each case exclusive of any accrued interest or any other gain to the District until such gain is realized by the presentation of matured coupons for payment or otherwise.

Section 705. Redemption or Sale of Investment Securities. The District Manager shall present for redemption or sale on the prevailing market at the best price obtainable any Investment Securities so purchased as an investment or reinvestment of moneys in the account

whenever it shall be necessary in order to provide moneys to meet any withdrawal, payment or transfer from such account. Neither the District Manager nor any other officer or employee of the District shall be liable or responsible for any loss resulting from any such investment or reinvestment made in accordance with this Resolution.

Section 706. Character of Funds. The moneys in any account designated in Articles V and VI hereof shall consist either of lawful money of the United States or Investment Securities, or both such money and such Investment Securities. Moneys deposited in a demand or time deposit account in a bank or savings and loan association, appropriately secured according to the laws of the State, shall be deemed lawful money of the United States.

Section 707. Payment of Bond Requirements. The moneys credited to any fund or account designated in Article VI hereof for the payment of the Bond Requirements of any Bonds shall be used without requisition, voucher, warrant, further order or authority (other than is contained herein), or any other preliminaries, to pay promptly the Bond Requirements of any Bonds payable from such fund or account as such amounts are due, except to the extent any other moneys are available therefor.

ARTICLE VIII

SECURITIES LIENS AND ADDITIONAL SECURITIES

Section 801. Lien on Bonds. The Bonds constitute an irrevocable lien (but not necessarily an exclusive such lien) upon the Net Pledged Revenues on a parity with the lien thereon of the Parity Bonds.

Section 802. Equality of Bonds. The Bonds and any Parity Bonds hereafter authorized to be issued and from time to time Outstanding are equitably and ratably secured by a lien on the Net Pledged Revenues shall not be entitled to any priority one over the other in the application of the Net Pledged Revenues regardless of the time or times of the issuance of the Bonds and any other such Parity Bonds, it being the intention of the Board that there shall be no priority among the Bonds and any such Parity Bonds regardless of the fact that they may be actually issued and delivered at different times, except that (a) moneys in the Project Fund and the Bond Fund shall secure only the Bonds and the moneys in any acquisition, bond, reserve or similar funds established for Parity Bonds shall secure only such Parity Bonds and (b) Parity Bonds may have a lien on Net Pledged Revenues on a parity with the lien thereon of the Bonds even if no reserve fund is established for such Parity Bonds or a reserve fund is established but with a different requirement as to the amount of moneys (or the value of a reserve fund insurance policy with respect to such Parity Bonds) required to be on deposit therein or the manner in which such reserve fund is funded or the period of time over which such reserve fund is funded or additional or separate revenues are also pledged to such Parity Bonds.

Section 803. Issuance of Additional Parity Bonds. Nothing herein prevents the issuance by the District of additional securities payable from the Net Pledged Revenues and constituting a lien thereon on a parity with, but not prior nor superior to, the lien thereon of the Bonds; but before any such additional Parity Bonds, except as provided in Section 808 hereof, are authorized or actually issued:

A. Absence of Default. At the time of the adoption of the resolution authorizing the issuance of the additional securities, the District shall not be in default in making any payments required by Article VI hereof.

B. Historic Earnings Test. The Net Pledged Revenues derived in any consecutive twelve month period within the eighteen months immediately preceding the date of issuance of the additional Parity Bonds shall be not less than 110% of the Combined Maximum Annual Principal and Interest Requirements of the Outstanding Bonds, any Outstanding Parity Bonds and the Parity Bonds proposed to be issued, except as hereinafter otherwise expressly provided.

C. Adjustment of Gross Pledged Revenues. In any computation under paragraph B of this Section, the amount of the Gross Pledged Revenues for the applicable period shall be decreased and may be increased by the amount of loss or gain conservatively estimated by an Independent Accountant, Independent Engineer or the District Manager, as the case may be, which results from any changes, which became effective not less than 60 days prior to the last day of the period for which Gross Pledged Revenues are determined, in any schedule of fees, rates and other charges constituting Gross Pledged Revenues based on the number of users during the applicable period as if such modified schedule of fees, rates and other charges shall have been in effect during such entire time period. However, the Gross Pledged Revenues need not be decreased by the amount of any such estimated loss to the extent the Independent Accountant, the Independent Engineer or the District Manager estimates the loss is temporary in nature or will be offset within a reasonable temporary period by an increase in revenues or a reduction in Operation and Maintenance Expenses not otherwise included in the calculations under this Section, and estimates any loss under this sentence will not at any time materially and adversely affect the District's apparent ability to comply with the rate maintenance covenant stated in Section 921 hereof without modification because of any restrictive legislation, regulation or other action under the police power exercised by any governmental body.

D. Reduction of Annual Requirements. The respective annual Bond Requirements (including as such a requirement the amount of any prior redemption premiums due on any Redemption Date) shall be reduced to the extent such Bond Requirements are scheduled to be paid in each of the respective Fiscal Years with moneys held in trust or in escrow for that purpose by any Trust Bank, including the known minimum yield from any investment in Federal Securities and any bank deposits, including any certificate of deposit.

E. Consideration of Additional Expenses. In determining whether or not additional Parity Bonds may be issued as aforesaid, consideration shall be given to any probable increase (but not reduction) in the Operation and Maintenance Expenses of the System as estimated by the District Manager that will result from the expenditure of the funds proposed to be derived from the issuance and sale of the additional securities; but the District Manager may reduce any such increase in Operation and Maintenance Expenses by the amount of any increase in revenues or any reduction in Operation and Maintenance Expenses resulting from the Capital Improvements to which such expenditure relates and not otherwise included in the calculations under this Section, if the District Manager also opines that any such increase in revenues or reduction in any increase in Operation and Maintenance Expenses will not materially and adversely affect the District's apparent ability to comply with the rate maintenance covenant stated in Section 921 hereof without

modification because of any restrictive legislation, regulation or other action under the police power exercised by any governmental body.

Section 804. Certification of Revenues. A written certificate or written opinion by the District Manager under Section 803B that such annual revenues, when adjusted as hereinabove provided in paragraphs C, D, and E of Section 803 hereof, are sufficient to pay such amounts, as provided in paragraph B of Section 803 hereof, shall be conclusively presumed to be accurate in determining the right of the District to authorize, issue, sell and deliver additional securities on a parity with the Bonds.

Section 805. Subordinate Securities Permitted. Nothing herein prevents the District from issuing additional securities payable from the Net Pledged Revenues and having a lien thereon subordinate, inferior and junior to the lien thereon of the Bonds.

Section 806. Superior Securities Prohibited. Nothing herein permits the District to issue additional securities payable from the Net Pledged Revenues and having a lien thereon prior and superior to the lien thereon of the Bonds.

Section 807. Use of Proceeds. The proceeds of any Parity Bonds or other securities payable from any Net Pledged Revenues shall be used only to finance Capital Improvements or to refund all or any portion of the Bonds, Parity Bonds, or other securities payable from Net Pledged Revenues, regardless of the priority or the lien of such securities on Net Pledged Revenues.

Section 808. Issuance of Refunding Securities. The District may issue any refunding securities payable from Net Pledged Revenues to refund any Outstanding Bonds, Parity Bonds or any subordinate securities hereafter issued, with such details as the Board may by resolution provide so long as there is no impairment of any contractual obligation imposed upon the District by any proceedings authorizing the issuance of any unrefunded portion of such Outstanding securities of any one or more issues; but so long as the Bonds, or any part thereof, are Outstanding, refunding securities payable from Net Pledged Revenues may be issued on a parity with the unrefunded Bonds only if:

A. Prior Consent. The District first receives the consent of the Owner or Owners of the unrefunded portion of the Bonds; or

B. Requirements Not Increased. The Combined Maximum Annual Principal and Interest Requirements for the Bonds and Parity Bonds Outstanding immediately after the issuance of the refunding securities is not greater than the Combined Maximum Annual Principal and Interest Requirements for all Bonds and Parity Bonds Outstanding immediately prior to the issuance of the refunding securities and the lien of any refunding Parity Bonds on the Net Pledged Revenues is not raised to a higher priority than the lien thereon of any securities thereby refunded; or

C. Earnings Test. The refunding securities are issued in compliance with Section 803B hereof.

ARTICLE IX

PROTECTIVE COVENANTS

Section 901. General. The District hereby covenants and agrees with the Owners of the Bonds and makes provisions which shall be a part of its contract with such Owners to the effect and with the purpose set forth in the following Sections of this Article.

Section 902. Performance of Duties. The District, acting by and through the Board or otherwise, shall faithfully and punctually perform, or cause to be performed, all duties with respect to the Gross Pledged Revenues and the System required by the Constitution and laws of the State and the various resolutions of the District, including, without limitation, the making and collection of reasonable and sufficient fees, rates and other charges for services rendered or furnished by or the use of the System, as herein provided, and the proper segregation of the proceeds of the Bonds and of any securities hereafter authorized and the Gross Pledged Revenues and their application from time to time to the respective accounts provided therefor.

Section 903. Contractual Obligations. The District shall perform all contractual obligations undertaken by it under any agreements relating to the Bonds, the Gross Pledged Revenues, the Project, or the System, or any combination thereof, with any other Persons.

Section 904. Further Assurances. At any and all times the District shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge, deliver and file or record all and every such further instruments, acts, deeds, conveyances, assignments, transfers, other documents and assurances as may be reasonably necessary or desirable for the better assuring, conveying, granting, assigning and confirming all and singular the rights, the Gross Pledged Revenues and other moneys and accounts hereby pledged or assigned, or intended so to be, or which the District may hereafter become bound to pledge or to assign, or as may be reasonable and required to carry out the purposes of this Resolution and to comply with any instrument of the District amendatory thereof, or supplemental thereto. The District, acting by and through the Board, or otherwise, shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the Gross Pledged Revenues and other moneys and accounts pledged hereunder and all the rights of every Owner of any Bond hereunder against all claims and demands of all Persons whomsoever.

Section 905. Conditions Precedent. Upon the date of issuance of the Bonds, all conditions, acts and things required by the Federal or State Constitution, the Water Activity Act, the Supplemental Public Securities Act, this Resolution, or any other applicable law to exist, to have happened and to have been performed precedent to or in the issuance of the Bonds shall exist, have happened, and have been performed; and the Bonds, together with all other obligations of the District, shall not contravene any debt or other limitation prescribed by the State Constitution.

Section 906. Efficient Operation and Maintenance. The District shall at all times operate the System properly and in a sound and economical manner; and the District shall maintain, preserve and keep the same properly or cause the same so to be maintained, preserved and kept, with the appurtenances and every part and parcel thereof in good repair, working order and condition, and shall from time to time make or cause to be made all necessary and proper

repairs, replacements and renewals so that at all times the operation of the System may be properly and advantageously conducted. All salaries, fees, wages and other compensation paid by the District in connection with the maintenance, repair and operation of the System shall be reasonable and proper.

Section 907. Rules, Regulations and Other Details. The District, acting by and through the Board, shall establish and enforce reasonable rules and regulations governing the operation, use and services of the System. The District shall observe and perform all of the terms and conditions contained in this Resolution, and shall comply with all valid acts, rules, regulations, orders and directions of any legislative, executive, administrative or judicial body applicable to the System or to the District, except for any period during which the same are being contested in good faith by proper legal proceedings.

Section 908. Payment of Governmental Charges. The District shall pay or cause to be paid all taxes and assessments or other governmental charges, if any, lawfully levied or assessed upon or in respect of the System, or upon any part thereof, or upon any portion of the Gross Pledged Revenues, when the same shall become due, and shall duly observe and comply with all valid requirements of any governmental authority relative to the System or any part thereof, except for any period during which the same are being contested in good faith by proper legal proceedings. The District shall not create or suffer to be created any lien upon the System, or any part thereof, or upon the Gross Pledged Revenues, except the pledge and lien created by this Resolution for the payment of the Bond Requirements of the Bonds and except as herein otherwise permitted. The District shall pay or cause to be discharged or shall make adequate provision to satisfy and to discharge, within 60 days after the same shall become payable, all lawful claims and demands for labor, materials, supplies or other objects which, if unpaid, might by law become a lien upon the System, or any part thereof, or the Gross Pledged Revenues; but nothing herein requires the District to pay or cause to be discharged or to make provision for any such tax, assessment, lien or charge, so long as the validity thereof is contested in good faith and by appropriate legal proceedings.

Section 909. Protection of Security. The District, the officers, agents and employees of the District, and the Board shall not take any action in such manner or to such extent as might prejudice the security for the payment of the Bond Requirements of the Bonds, the Parity Bonds, and any other securities payable from the Net Pledged Revenues relating thereto according to the terms thereof. No contract shall be entered into nor any other action taken by which the rights of any Owner of any Bond or other security payable from Net Pledged Revenues relating thereto might be prejudicially and materially impaired or diminished.

Section 910. Prompt Payment of Bonds. The District shall promptly pay the Bond Requirements of the Bonds at the places, on the dates and in the manner specified herein and in the Bonds according to the true intent and meaning hereof.

Section 911. Use of Funds. The Funds described herein shall be used solely and only for the purposes described herein.

Section 912. Other Liens. Other than as provided herein, there are no liens or encumbrances of any nature whatsoever on or against the System, or any part thereof, or on or against the Gross Pledged Revenues on a parity with or superior to the lien thereon of the Bonds.

Section 913. Corporate Existence. The District shall maintain its corporate identity and existence so long as any of the Bonds remain Outstanding, unless another body corporate and politic by operation of law succeeds to the powers, privileges, rights, liabilities, disabilities, duties and immunities of the District and is obligated by law to operate and maintain the System and to fix and collect the Gross Pledged Revenues as herein provided without adversely and materially affecting at any time the privileges and rights of any Owner of any Outstanding Bond.

Section 914. Disposal of System Prohibited. Except for the use of the System and services pertaining thereto in the normal course of business, or as provided in Section 915 hereof, neither all nor a substantial part of the System shall be sold, leased, mortgaged, pledged, encumbered, alienated or otherwise disposed of, until all the Bonds have been paid in full, as to all Bond Requirements, or unless provision has been made therefor, or until the Bonds have otherwise been redeemed, including, without limitation, the termination of the pledge as herein authorized; and the District shall not dispose of its title to the System or to any useful part thereof, including any property necessary to the operation and use of the System and the lands and interests in lands comprising the sites of the System.

Section 915. Disposal of Unnecessary Property. The District at any time and from time to time may sell, exchange, lease or otherwise dispose of any property constituting a part of the System and not useful in the construction, reconstruction or operation thereof, or which shall cease to be necessary for the efficient operation of the System, or which shall have been replaced by other property of at least equal value. Any proceeds of any such sale, exchange, lease or other disposition received and not used to replace such property so sold or so exchanged or otherwise so disposed of, shall be deposited by the District in the Income Fund or into a special book account for the betterment, enlargement, extension, other improvement and equipment of the System, or any combination thereof, as the Board may determine, provided that any proceeds of any such lease received shall be deposited by the District as Gross Pledged Revenues in the Income Fund.

Section 916. Competing System. So long as any of the Bonds are Outstanding, the District shall not grant any franchise or license to any competing facilities so that the Gross Pledged Revenues shall not be sufficient to satisfy the covenant in Section 921 hereof.

Section 917. Loss From Condemnation. If any part of the System is taken by the exercise of the power of eminent domain, the amount of any award received by the District as a result of such taking shall be paid into the Income Fund or into a capital improvement account pertaining to the System for the purposes thereof, or, applied to the redemption of the Outstanding Bonds and any Outstanding Parity Bonds relating thereto, all as the District may determine.

Section 918. Employment of Management Engineers. If the District defaults in paying the Bond Requirements of the Bonds, the Parity Bonds, and any other securities relating thereto payable from the Gross Pledged Revenues promptly as the same fall due, or an Event of

Default has occurred and is continuing, or if the Net Pledged Revenues in any Fiscal Year fail to equal at least the amount of the Bond Requirements of the Outstanding Bonds, Parity Bonds, and any other securities (including all reserves therefor specified in the authorizing proceedings, including, without limitation, this Resolution) or policy costs relating thereto payable from the Net Pledged Revenues in that Fiscal Year, the District shall retain a firm of competent management engineers skilled in the operation of such facilities to assist the management of the System so long as such default continues or so long as the Net Pledged Revenues are less than the amount hereinabove designated in this Section.

Section 919. Budgets. The Board and officials of the District shall annually and at such other times as may be provided by law prepare and adopt a budget pertaining to the System.

Section 920. Reasonable and Adequate Charges. While the Bonds remain Outstanding and unpaid, the fees, rates and other charges due to the District for the use of or otherwise pertaining to and services rendered by the System to the District, to its inhabitants and to all other users within and without the boundaries of the District shall be reasonable and just, taking into account and consideration public interests and needs, the cost and value of the System, the Operation and Maintenance Expenses thereof, and the amounts necessary to meet the Bond Requirements of all Bonds, the Parity Bonds, and any other securities payable from the Net Pledged Revenues, including, without limitation, reserves and any replacement accounts therefor.

Section 921. Adequacy and Applicability of Charges. There shall be charged against users of service pertaining to and users of the System, including the District, except as provided by Section 922 hereof, such fees, rates and other charges so that the Gross Pledged Revenues shall be adequate to meet the requirements of this and the preceding Sections hereof. Such charges pertaining to the System shall be at least sufficient so that the Gross Pledged Revenues annually are sufficient to pay in each Fiscal Year:

A. Operation and Maintenance Expenses. An amount equal to the annual Operation and Maintenance Expenses for such Fiscal Year,

B. Principal and Interest. An amount equal to 110% of both the principal and interest on the Bonds and any Parity Bonds then Outstanding payable from the Net Pledged Revenues in that Fiscal Year (excluding the reserves therefor); and

C. Deficiencies. Any amounts required to pay sums, if any, due and owing to meet then existing deficiencies pertaining to any fund or account relating to the Gross Pledged Revenues or any securities payable therefrom.

Section 922. Limitations Upon Free Service. No free service or facilities shall be furnished by the System, except that the District shall not be required to pay for any use by the District of any facilities of the System for District purposes or for fire protection purposes. If the District chooses, in its sole discretion, to pay for its use of the System, all the income so derived from the District shall be deemed to be income derived from the operation of the System, to be used and to be accounted for in the same manner as any other income derived from the operation of the System.

Section 923. Levy of Charges. The District shall forthwith and in any event prior to the delivery of any of the Bonds, fix, establish and levy the fees, rates and other charges which are required by Section 921 of this Resolution, if such action is necessary therefor. No reduction in any initial or existing rate schedule for the System may be made:

A. Proper Application. Unless the District has fully complied with the provisions of Article VI of this Resolution for at least the full Fiscal Year immediately preceding such reduction of the initial or any other existing rate schedule; and

B. Sufficient Revenues. Unless the audit required by the Independent Accountant by Section 927 hereof for the full Fiscal Year immediately preceding such reduction discloses that the estimated revenues resulting from the proposed rate schedule for the System, after the schedule's proposed reduction, shall be at least sufficient to produce the amounts required by Section 921 hereof.

Section 924. Collection of Charges. The District shall cause all fees, rates and other charges pertaining to the System to be collected as soon as is reasonable, shall reasonably prescribe and enforce rules and regulations or impose contractual obligations for the payment of such charges, and for the use of the System, and shall provide methods of collection and penalties, to the end that the Gross Pledged Revenues shall be adequate to meet the requirements of this Resolution and any other resolution supplemental thereto.

Section 925. Procedure for Collecting Charges. All bills for water services and all other services or facilities furnished or served by or through the System shall be rendered to customers on a regularly established basis. The fees, rates and other charges due shall be collected in a lawful manner, including, without limitation, discontinuance of service.

Section 926. Maintenance of Records. So long as any of the Bonds and any Parity Bonds payable from the Gross Pledged Revenues remain Outstanding, proper books of record and account shall be kept by the District, separate and apart from all other records and accounts.

Section 927. Audits Required. The District, within 180 days following the close of each Fiscal Year, shall order an audit for the Fiscal Year of such books and accounts to be made forthwith by an Independent Accountant, and order an audit report showing the receipts and disbursements for each account pertaining to the System and the Gross Pledged Revenues.

Section 928. Accounting Principles. System records and accounts, and audits thereof, shall be currently kept and made, as nearly as practicable, in accordance with the then generally accepted accounting principles, methods and terminology followed and construed for utility operations comparable to the System, except as may be otherwise provided herein or required by applicable law or regulation or by contractual obligation existing on the effective date of this Resolution.

Section 929. Insurance and Reconstruction. Except to the extent of any self-insurance, the District shall at all times maintain with responsible insurers fire and extended coverage insurance, worker's compensation insurance, public liability insurance and all such other insurance as is customarily maintained with respect to utilities of like character against loss of or

damage to the System and against loss of revenues and against public and other liability to the extent reasonably necessary to protect the interests of the District and of each Owner of a Bond. If any useful part of the System shall be damaged or destroyed, the District shall, as expeditiously as may be possible, commence and diligently proceed with the repair or replacement of the damaged property so as to restore the same to use. The proceeds of any such insurance shall be payable to the District and (except for proceeds of any use and occupancy insurance) shall be applied to the necessary costs involved in such repair and replacement and to the extent not so applied shall (together with the proceeds of any such use and occupancy insurance) be deposited in the Income Fund by the District as revenues derived from the operation of the System. If the costs of such repair and replacement of the damaged property exceed the proceeds of such insurance available for the payment of the same, moneys in the Income Fund shall be used to the extent necessary for such purposes, as permitted by Section 610 hereof.

Section 930. Federal Income Tax Exemption. The District covenants for the benefit of the Owners of the Bonds that it will not take any action or omit to take any action with respect to the Bonds, the proceeds thereof, any other funds of the District or any facilities financed or refinanced with the proceeds of the Bonds if such action or omission (a) would cause the interest on the Bonds to lose its exclusion from gross income for federal income tax purposes under Section 103 of the Code, (b) would cause interest on the Bonds to lose its exclusion from alternative minimum taxable income as defined in Section 55(b)(2) of the Code, or (c) would cause interest on the Bonds to lose its exclusion from Colorado taxable income or Colorado alternative minimum taxable income under present State law. In furtherance of this covenant, the District agrees to comply with the procedures set forth in the Tax Compliance Certificate. The foregoing covenant shall remain in full force and effect notwithstanding the payment in full or defeasance of the Bonds until the date on which all obligations of the District in fulfilling the above covenant under the Code and Colorado law have been met.

Section 931. Continuing Disclosure. The District shall comply with the provisions of the Continuing Disclosure Certificate. Any failure by the District to perform in accordance with this Section shall not constitute an Event of Default under this Resolution, and the rights and remedies provided by this Resolution upon the occurrence of an Event of Default shall not apply to any such failure. The Paying Agent shall not have any power or duty to enforce this Section. No Owner of a Bond shall be entitled to damages for the District's non-compliance with its obligations under this Section; however, the Owners of the Bonds may enforce specific performance of the obligations contained in this Section by any judicial proceeding available.

ARTICLE X

PRIVILEGES, RIGHTS AND REMEDIES

Section 1001. Owners' Remedies. Each Owner of any Bond shall be entitled to all of the privileges, rights and remedies provided or permitted in this Resolution, and as otherwise provided or permitted by law or in equity or by any statutes, except as provided in Sections 202 through 206 and 1201 hereof, but subject to the provisions herein concerning the pledge of and the covenants and the other contractual provisions concerning the Gross Pledged Revenues and the proceeds of the Bonds.

Section 1002. Right to Enforce Payment. Nothing in this Article affects or impairs the right of any Owner of any Bond to enforce the payment of the Bond Requirements due in connection with his or her Bond or the obligation of the District to pay the Bond Requirements of each Bond to the Owner thereof at the time and the place expressed in the Bond.

Section 1003. Events of Default. Each of the following events is hereby declared an “Event of Default”:

A. Nonpayment of Principal. Payment of the principal of any of the Bonds is not made when the same becomes due and payable, either at maturity or by proceedings for prior redemption, or otherwise;

B. Nonpayment of Interest. Payment of any installment of interest on any of the Bonds is not made when the same becomes due and payable;

C. Cross Defaults. The occurrence and continuance of an “event of default,” as defined in any Parity Bond Resolution;

D. Failure to Reconstruct. The District unreasonably delays or fails to carry out with reasonable dispatch the reconstruction of any part of the System which is destroyed or damaged and is not promptly repaired or replaced (whether such failure promptly to repair the same is due to impracticability of such repair or replacement or is due to a lack of moneys therefor or for any other reason), but it shall not be an Event of Default if such reconstruction is not essential to the efficient operation of the System;

E. Appointment of Receiver. An order or decree is entered by a court of competent jurisdiction with the consent or acquiescence of the District appointing a receiver or receivers for the System or for the Gross Pledged Revenues and any other moneys subject to the lien to secure the payment of the Bonds, or if an order or decree having been entered without the consent or acquiescence of the District is not vacated or discharged or stayed on appeal within 60 days after entry;

F. Default of Any Provision. The District defaults in the due and punctual performance of any other of the representations, covenants, conditions, agreements and other provisions contained in the Bonds or in this Resolution on its part to be performed (other than Section 931 hereof), and such default continues for 60 days after written notice specifying such default and requiring the same to be remedied is given to the District specifying the failure and requiring that it be remedied, which notice may be given by the Paying Agent in its discretion and, except as provided in Section 1201 hereof, shall be given by the Paying Agent at the written request of the Owners of not less than 25 percent in aggregate principal amount of Bonds then Outstanding.

Section 1004. Remedies for Defaults. Except as provided in Section 1201 hereof, upon the happening and continuance of any Event of Default, the Owner or Owners of not less than 25% in aggregate principal amount of the Bonds then Outstanding, including, without limitation, a trustee or trustees therefor, may proceed against the District and its agents, officers and employees to protect and to enforce the rights of any Owner of Bonds under this Resolution by mandamus or by other suit, action or special proceedings in equity or at law, in any court of competent jurisdiction, either for the appointment of a receiver or for the specific performance of

any covenant or agreement contained herein or in an award of execution of any power herein granted for the enforcement of any proper legal or equitable remedy as such Owner or Owners may deem most effectual to protect and to enforce the rights aforesaid, or thereby to enjoin any act or thing which may be unlawful or in violation of any right of any Owner of any Bond, or to require the District to act as if it were the trustee of an expressed trust, or any combination of such remedies. All such proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Owners of the Bonds.

Section 1005. Receiver's Rights and Privileges. Any receiver appointed in any proceedings to protect the rights of such Owners hereunder, the consent to any such appointment being hereby expressly granted by the District, may enter and may take possession of the System, may operate and maintain the same, may prescribe fees, rates and other charges, and may collect, receive and apply all Gross Pledged Revenues arising after the appointment of such receiver in the same manner as the District itself might do.

Section 1006. Rights and Privileges Cumulative. The failure of any Owner of any Outstanding Bond to proceed in any manner herein provided shall not relieve the District, or any of its officers, agents or employees of any liability for failure to perform or carry out any duty, obligation or other commitment. Each right or privilege of any such Owner (or trustee thereof) is in addition and is cumulative to any other right or privilege, and the exercise of any right or privilege by or on behalf of any Owner shall not be deemed a waiver of any other right or privilege thereof.

Section 1007. Duties upon Defaults. Upon the happening of any Event of Default, the District shall do and perform all proper acts on behalf of and for the Owners of Bonds to protect and to preserve the security created for the payment of the Bonds and to insure the payment of the Bond Requirements promptly as the same become due. While any Event of Default exists, except to the extent it may be unlawful to do so, all Gross Pledged Revenues shall be paid into the Bond Fund and into bond or similar funds established for any Parity Bonds then Outstanding, pro rata based upon the aggregate principal amount of the Bonds and Parity Bonds then Outstanding. Except as provided in Section 1201 hereof, if the District fails or refuses to proceed as in this Section provided, the Owner or Owners of not less than 25% in aggregate principal amount of the Bonds then Outstanding, after demand in writing, may proceed to protect and to enforce the rights of the Owners of the Bonds as hereinabove provided, and to that end any such Owners of the Outstanding Bonds shall be subrogated to all rights of the District under any agreement, lease or other contract involving the System or the Gross Pledged Revenues entered into prior to the effective date of this Resolution or thereafter while any of the Bonds are Outstanding.

ARTICLE XI

AMENDMENT OF RESOLUTION

Section 1101. Privilege of Amendments.

A. Except as hereafter provided, this Resolution may be amended or supplemented by resolutions adopted by the Board in accordance with law, without receipt by the

District of any additional consideration, subject to Section 1201 hereof, the Owners of not less than 66% in aggregate principal amount of the Bonds Outstanding at the time of the adoption of such amendatory or supplemental resolution excluding, pursuant to Section 101 B hereof, any Bonds which may then be held or owned for the account of the District. Notwithstanding the foregoing, no such resolution shall permit:

(1) Changing Payment. A change in the maturity, terms of redemption or interest payment of any Outstanding Bond; or

(2) Reducing Return. A reduction in the principal amount of any Bond or the rate of interest thereon, without the consent of the Owner of the Bond; or

(3) Prior Lien. The creation of a lien upon or a pledge of revenues ranking prior to the lien or to the pledge created by this Resolution; or

(4) Modifying Any Bond. A reduction of the principal amount or percentages or otherwise affecting the description of Bonds the consent of the Owners of which is required for any such modification or amendment; or

(5) Priorities Between Bonds. The establishment of priorities as between Bonds issued and Outstanding; or

(6) Modification of Less Than All the Bonds. The modification of or otherwise affecting the rights of the Owners of less than all of the Outstanding Bonds.

B. Notwithstanding the foregoing provisions of this Section, this Resolution and the rights and obligations of the District and of the Owners of the Bonds may also be modified or amended at any time, but without the consent of any Owners of the Bonds, but only to the extent permitted by law and only for any or all of the following purposes:

(1) to add to the covenants and agreements of the District in this Resolution contained other covenants and agreements thereafter to be observed;

(2) to subject to the covenants and agreements of the District in this Resolution additional System revenues, to be defined and treated as Gross Pledged Revenues, for the purpose of providing additional security for the Bonds and any Parity Bonds;

(3) to provide for the appointment of a new Paying Agent; or

(4) to make such provisions for the purpose of curing any ambiguity or of curing or correcting any formal defect or omission in this Resolution, or in regard to questions arising under this Resolution, as the District may deem necessary or desirable, and which shall not adversely affect the interests of the Owners of the Bonds.

Section 1102. Notice of Amendment. Whenever the Board proposes to amend or modify this Resolution under the provisions of this Article, it shall cause notice of the proposed amendment to be mailed to Owners of all Outstanding Bonds at their addresses as the same last appear on the registration records maintained by the Paying Agent. Such notice shall briefly set

forth the nature of the proposed amendment and shall state that a copy of the proposed amendatory resolution is on file with the District Manager for public inspection. Notice of the proposed amendment, together with a copy of the proposed amendatory resolution, shall be delivered to the Rating Agencies then maintaining a rating on the Bonds at least 15 days in advance of the adoption of the amendment.

Section 1103. Time for Amendment. If the resolution is not required to be consented to by the Owners of the Bonds, the amendatory resolution may be adopted by the Board at any time.

Section 1104. Binding Consent to Amendment. If the Owners of not less than 66% in aggregate principal amount of the Bonds Outstanding at the time of the adoption of such amendatory resolution requiring consent of the Owners of the Bonds, or the predecessors in title of such Owners, shall have consented to and approved the adoption thereof as herein provided, no Owner of any Bond, whether or not such Owner shall have consented to or shall have revoked any consent as in this Article provided, shall have any right or interest to object to the adoption of such amendatory resolution or to object to any of the terms or provisions therein contained or to the operation thereof or to enjoin or restrain the District from taking any action pursuant to the provisions thereof.

Section 1105. Time Consent Binding. Any consent given by the Owner of a Bond pursuant to the provisions of this Article shall be irrevocable for a period of 6 months from the date of the giving of the notice above provided for and shall be conclusive and binding upon all future Owners of the same Bond during such period. Such consent may be revoked at any time after 6 months from the date of such giving of such notice by the Owner who gave such consent or by a successor in title by filing notice of such revocation with the District Manager, but such revocation shall not be effective if the Owners of not less than 66% in aggregate principal amount of the Bonds Outstanding as in this Article provided, prior to the attempted revocation, consented to and approved the amendatory resolution referred to in such revocation.

Section 1106. Unanimous Consent. Notwithstanding anything in the foregoing provisions of this Article, the terms and provisions of this Resolution or of any resolution amendatory thereof or supplemental thereto and the rights and the obligations of the District and of the Owners of the Bonds thereunder may be modified or amended in any respect upon the adoption by the District and upon the filing with the District Manager of a resolution to that effect and with the consent of the Owners of all the then Outstanding Bonds, such consent to be given as provided in Section 1103 hereof; and no notice to Owners of Bonds shall be required as provided in Section 1102 hereof, nor shall the time of consent be limited except as may be provided in such consent.

At the time of any consent or of other action taken under this Article, the District shall furnish to the District Manager a certificate of the District Manager, upon which the District may rely, describing all Bonds to be excluded for the purpose of consent or of other action or of any calculation of Outstanding Bonds provided for in this Article, and the District shall not be entitled with respect to such Bonds to give any consent or to take any other action provided for in this Article, as provided in Section 101 B hereof.

Section 1108. Notation on Bonds. If the Board so determines, new Bonds, so modified as in the opinion of the Board conform to such action, shall be prepared, executed, authenticated and delivered; and upon demand of the Owner of any Bond then Outstanding, shall be exchanged without cost to such Owner for Bonds then Outstanding upon surrender of such Bonds.

Section 1109. Proof of Instruments and Bonds. Section 1110. Copies of Supplemental Resolutions to Rating Agencies. Copies of any supplemental or amendatory resolution shall be sent by the District to the Rating Agencies at least 10 days prior to the effective date thereof.
