

# NORTH WELD COUNTY WATER DISTRICT JUNE 2026 UPDATE

## ANNUAL WATER QUALITY REPORT & 2026 FINANCIAL AUDIT

North Weld County Water District is committed to transparency, accountability, and providing reliable service to our customers. Each year, the District publishes two important reports that provide insight into water quality and District operations.

The Annual Water Quality Report provides information about the source of your drinking water, water quality testing results, and compliance with federal and state drinking water standards. The Annual Financial Audit is conducted by an independent auditing firm and provides an objective review of the District's financial statements and operations.

Together, these reports help customers stay informed about the District's performance, financial stewardship, and commitment to delivering safe, reliable water service.

## VOLUNTARY WATERING RESTRICTION

As outdoor watering increases throughout the growing season, North Weld County Water District encourages customers to follow these voluntary watering guidelines to promote efficient water use and maintain healthy landscapes. Thoughtful irrigation practices can help reduce water waste, improve watering efficiency, and support the long-term sustainability of our water resources.

Simple adjustments such as watering during cooler times of the day, monitoring weather conditions, and avoiding unnecessary runoff can make a meaningful difference while helping ensure every gallon is used effectively.

## DID YOU KNOW?

The WaterSmart Customer Portal gives you convenient access to your account anytime, anywhere. Through the portal, you can view and manage your billing information, make one-time payments, enroll in AutoPay, and monitor your water usage. Customers can also access helpful resources and water conservation tips designed to help you make informed decisions about your water use.

## JOIN A NWCWD BOARD OF DIRECTORS MEETING

We welcome public comment, and we'd love to hear from you.

Our next meeting is July 13<sup>th</sup> at 8:30 am. Meetings are typically held on the second Monday of each month at the District Office, located at 32825 County Road 39, Lucerne (Unless otherwise noted).
