

# NORTH WELD COUNTY WATER DISTRICT

## APRIL 2026 UPDATE

### TRACK YOUR WATER USAGE WITH EASE

Staying aware of your water usage can help you better understand your monthly habits and manage your account with confidence. The WaterSmart customer portal makes it easy to access your usage information at any time.

Track your average gallons per day, compare usage to previous months or years, and gain insight into how your water use changes over time. The portal also includes helpful resources, with tips and information on ways to save water.

Having access to this information helps you stay informed and make adjustments as needed throughout your billing cycle.

#### GET STARTED IN 3 EASY STEPS:

- 1 Log On: Visit [nwcwd.watersmart.com](http://nwcwd.watersmart.com) or scan the QR code:
- 2 Register: Use your account number listed on your water bill and your zip code
- 3 Personalize: Complete a simple profile to get the most out of your account

### DID YOU KNOW?

Small adjustments in daily water use can lead to meaningful savings over time and help reduce unnecessary water loss throughout the year.

-  Fix leaks promptly, as even small leaks can result in significant water loss over time.
-  Adjust irrigation schedules to reflect weather conditions, rainfall, and seasonal changes.
-  Water during cooler times of the day to reduce evaporation and improve efficiency.
-  Avoid overwatering by applying only what your landscape needs.
